TREATMENT AUTHORIZATION AND CONSENT

I consent to treatment as necessary or desirable for the diagnosis and treatment of dental disease, deformities, or treatment of a dental emergency including X-rays, models, medication, and other therapies. This authorization and consent for treatment will be made verbally after having a full explanation of the proposed treatment, alternatives and risks. I understand that by the very nature of the proposed treatments and the uniqueness of myself as an individual that no one can predict the certainty of any outcome or success and that even in the event of treatment, my condition may worsen. I understand that no guarantee or assurances will be given to me for proposed treatment or alternatives.

I will feel free to ask questions about any proposed treatment, alternatives, and risks. I agree to abide by doctor's or hygienist's post-operative instructions and understand that my failure to care for my oral health may lead to failure of treatment.

I understand that local anesthetics embody certain risks and I will discuss with the hygienist or doctor my medical and health history indicating any serious problems and promise to inform the hygienist, doctor and staff if any changes in my medical history occur.

Signed: _____ Date: _____

Although dental personnel primarily treat the area in and around your mouth, your mouth is a part of your entire body. Health problems that you may have, or medication that you may be taking, could have an important interrelationship with the dentistry you will receive.
